Members should plan to bring completed project books with them to the skillathon contest.
While a member's project book may not be required in order to participate in skillathon contests,
it does account for a substantial amount of points.

Awards are presented for (1) skillathon performance, (2) personal interview score, and (3) project book score for completion.

TENTATIVE as of 01/27/18
Any necessary changes to this schedule will be announced / posted during the Hartford Fair.
