

Natural Resources Area

Featuring FREE, family-friendly activities!

The mission of the Hartford Fair Natural Resources Area is to build a sustainable natural resources program area celebrating Ohio's natural heritage. It is supported by local conservation partners and organizations in order to provide educational, recreational and interactive conservation experiences during the Hartford Fair and at other outdoor events. Activities are carried out by representatives from the Hartford Fair Board, Licking County Recycling, Licking County Soil & Water Conservation District, Licking Park District, The Dawes Arboretum, & Licking County Ohio Certified Volunteer Naturalists.
